SALESBOOSTCORE COMPONENTS

There are five (5) key components of the SalesBoost experience:

1) Overview Video

Introduces the course topic, theme and key points. There may be multiple videos to a course.

2) Best Practices

A robust Q & A Library full of User-Based Questions and Answers including downloadable PDFs, templates, access to videos, blogs, articles, stats & research and more!

3) Quiz Yourself

Check Your Knowledge. A time for users to test what they have learned so far. Reinforces the key take-aways.

4) Rehearsal, Instant Feedback & Coaching

This is the *secret sauce* to the SalesBoost experience! The ability to put what you learned into action right away and receive instant feedback and coaching. Practice as many times as you want. We recommend at least 3X before you take the Assessment.

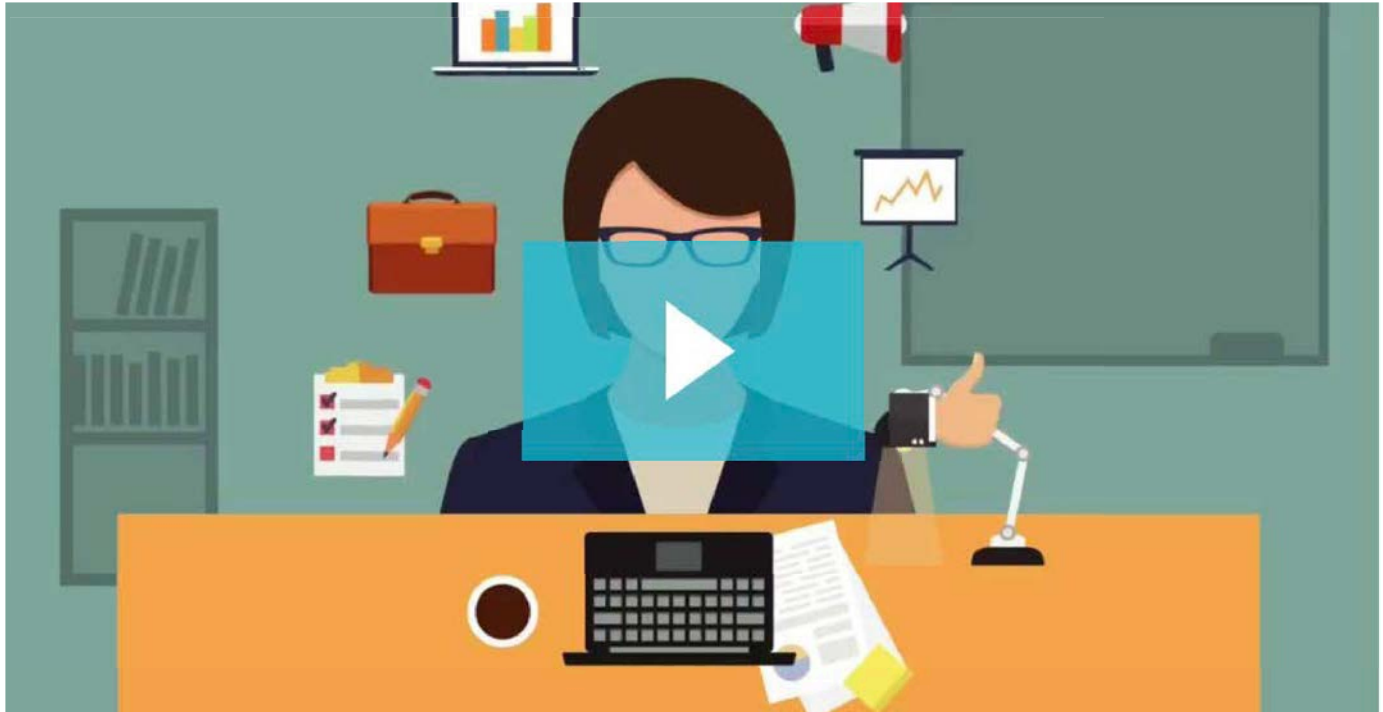

5) Assessment

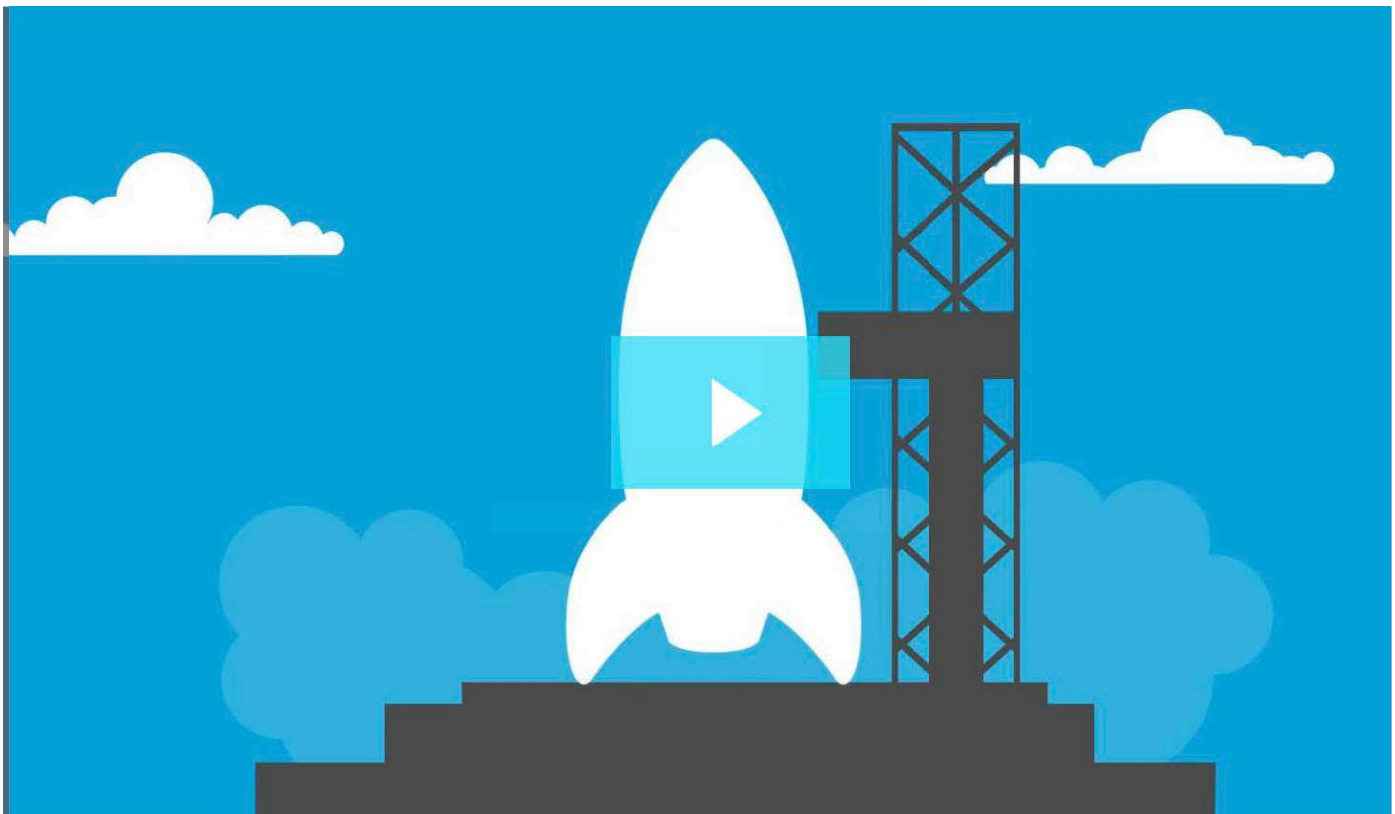

The true test! The Assessment will lock in a users score and capture for recognition, reporting and future needs analysis.

ABOUT US

Salesboost, LLC is a new revolutionary sales training and coaching tool that is designed to boost confidence, boost performance and boost sales. We specialize in hospitality training that develops sales leaders, hotel-based sellers and global sales. SalesBoost is the only training method that offers this industry-exclusive training.

Our philosophy is simple: In today's business world, a well-trained sales force is more important than ever. Having the tools needed to be successful is critical. To stay at the top of your game, a sales team must constantly learn, grow and improve. When you learn more, you earn more. It's that simple. SalesBoost gives you the proven hotel sales training program to do exactly that.

We've combined technology with a human touch providing on-demand sale training based on micro-learning for all skill levels with instant feedback and coaching. We believe in a positive and individualistic training experience that is focused on learning, practice and retention to yield the greatest results.
